

Dr. Rick Brinkman: Stage Set Up Diagram

THE SCREEN:

It can be centered or in the corner of the room depending on your room logistics.

Front of Room

This grey rectangle is the stage area of risers.
The stage needs to be minimum 12' in length but preferably 16 feet. x 8 feet.

BARSTOOL

My Computer: Apple Mac with standard VGA connection for video. Audio out is not necessary. My presentation will be run from my computer using my wireless mouse. I also need AC power for the computer.

SMALL TABLE

This square or round table no bigger than 3' x 3' table for my computer which will attach to the LCD projector via a standard VGA connection.

MICROPHONE: For programs 1 hour or less please provide a wireless handheld mic. For longer programs a wireless lavalier mic is preferred.
